Flip the Script on 25 September

Bring a group of key participants together to stand with banners to highlight the need to #FlipTheScript. You should consider making images and banners that show the change that you want to see in the world to #FlipTheScript.

You can make banners with 2 sides:

Side (a)- black & white colours, highlighting a word that shows challenge, eg. 'apathy'

Side (b)- colourful banner with a word that shows positive change, eg. 'action'

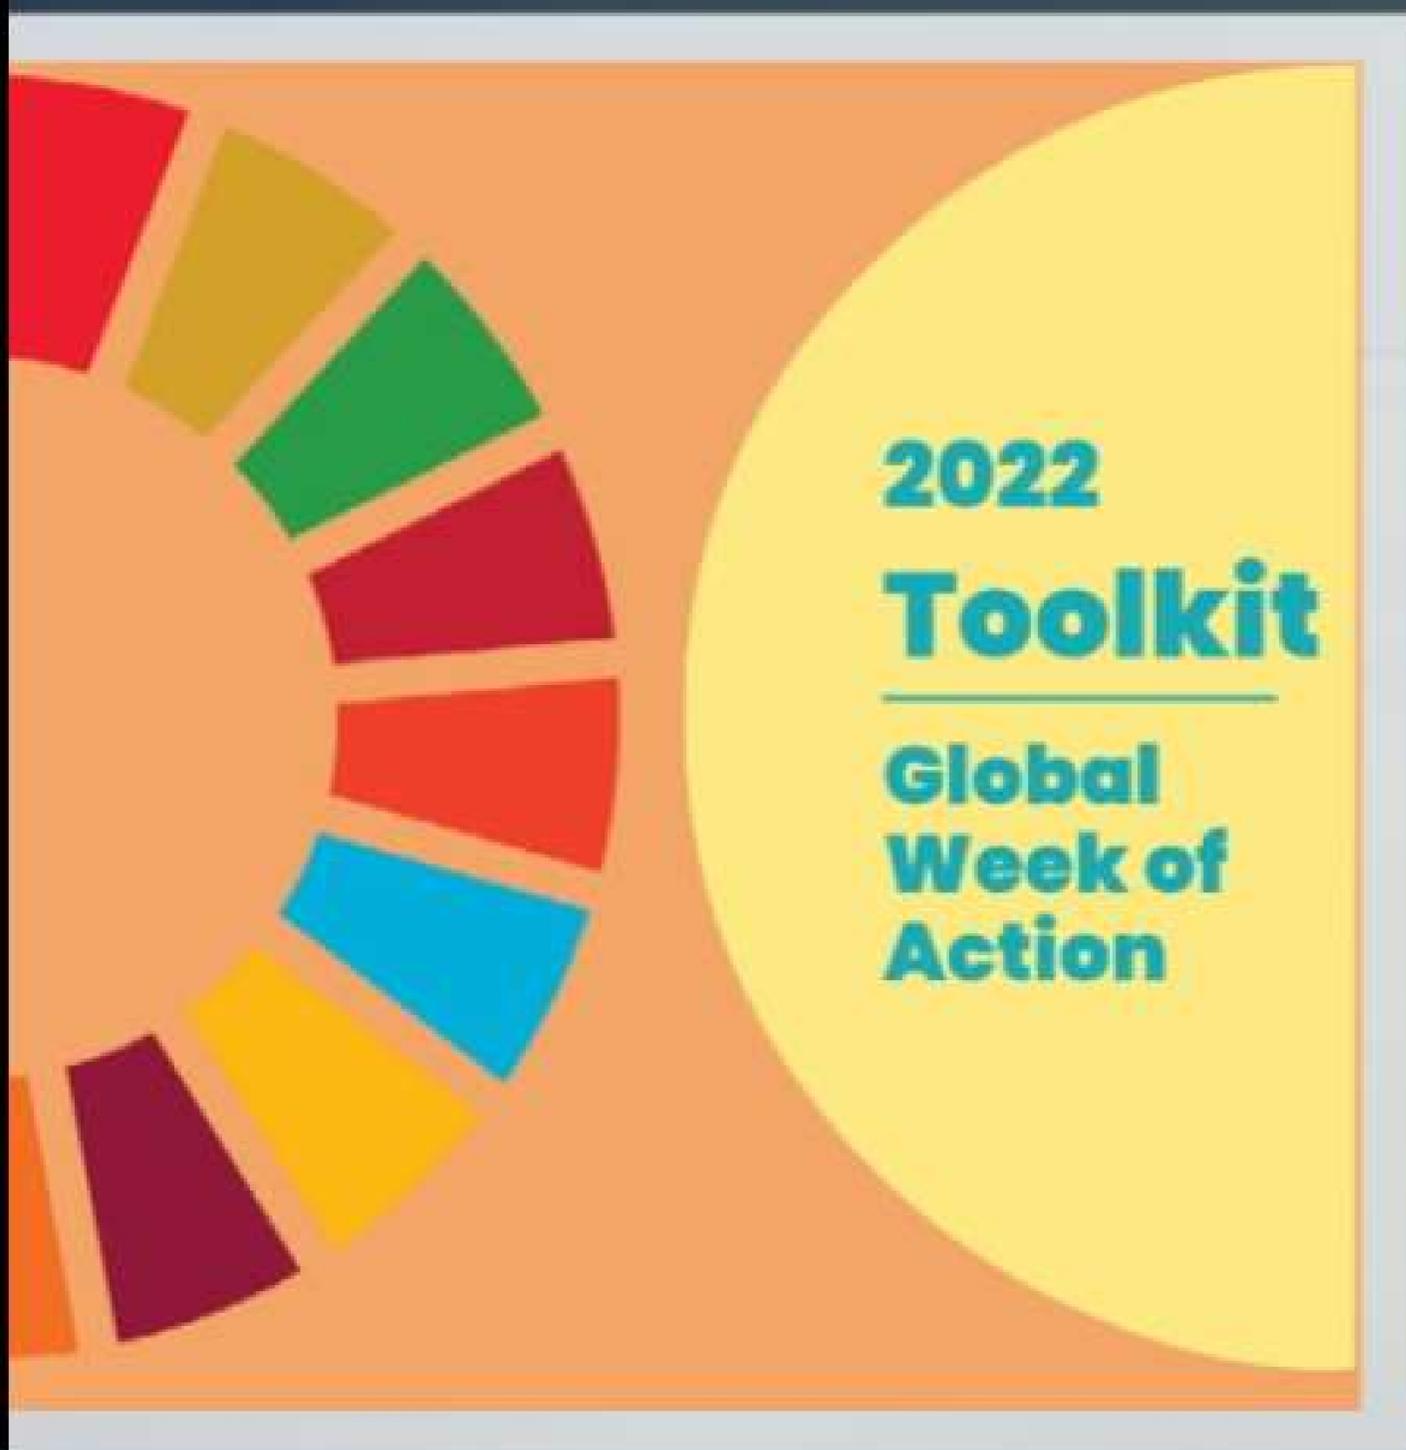

You should aim for 17 banners with 17 words of change and ensure that each activist holds one banner.
